

ORDINANCE NO. 75-2022 (PSH), *Second Reading*

By Mayor Seren and Councilman Mattox

An Ordinance amending Chapter 749, “Fair Practices”, of the Codified Ordinances of the City of Cleveland Heights to prohibit any psychiatric treatment, including conversion therapy, the purpose of which is an attempt to change an individual's sexual orientation; and declaring the necessity that this Ordinance become immediately effective as an emergency measure.

WHEREAS, the American Psychiatric Association in December 1998 published a position statement opposing any psychiatric treatment, including reparative or conversion therapy, which therapy regime is based upon the assumption that homosexuality per se is a mental disorder or upon an assumption that a patient should change his or her homosexual orientation; and

WHEREAS, the American Psychological Associations Task Force on Appropriate Therapeutic Responses to Sexual Orientation ("APA Task Force") concluded that sexual orientation change efforts can pose critical health risks to lesbian, gay and bisexual people, including, among other things, confusion, depression, social withdrawal, suicidality, substance abuse, self-hatred, high-risk sexual behaviors, and a feeling of being dehumanized; and

WHEREAS, following the report issued by the APA Task Force, the American Psychological Association issued a resolution in 2009 on Appropriate Affirmative Responses to Sexual Orientation Distress and Change Efforts, advising parents, guardians, young people and their families to avoid sexual orientation change efforts that portray homosexuality as a mental illness or developmental disorder, and encouraging psychotherapy, social support, and education services that provide accurate information on sexual orientation and sexuality, increase family and school support and reduce rejection of sexual minority youth; and

WHEREAS, the American Academy of Child Adolescent Psychiatry in 2012 published a statement in its journal that "[g]iven that there is no evidence that efforts to alter sexual orientation are effective, beneficial or necessary and the possibility that they carry the risk of significant harm, such interventions are contraindicated"; and

WHEREAS, the American Academy of Pediatrics, the American Medical Association Council on Scientific Affairs, the National Association of Social Workers, the American Counseling Association Governing Council, and the Psychoanalytic Association each have asserted in reports or position statements that sexual orientation change efforts, including reparative therapy or conversion therapy are not recommended and may be harmful; and

WHEREAS, the Pan American Health Organization issued a statement in 2012 that "[t]hese supposed conversion therapies constitute a violation of the principles of health care and violate human rights that are protected by international and regional agreements "; and

WHEREAS, the City of Cleveland Heights has a compelling interest in protecting the physical and psychological well-being of minors, including lesbian, gay, bisexual and transgender

youth and in protecting its minors against exposure to serious harms caused by conversion therapy;
and

WHEREAS, it is the desire of the Council of the City of Cleveland Heights to prohibit the use of conversion therapy with minors, which has been demonstrated to be harmful to the physical and psychological well-being of lesbian, gay, bisexual and transgender persons.
